- **All items need to be in the Narthex by Thursday, August 9, 2018**

This is an ongoing project so if you miss this month's delivery you can still bring things in for the next delivery.

School Supplies for Orphan Grain Train

School will be out soon and children will bring home their school supplies. We are asking you to take some time to sort through these supplies. After you have saved those items that you are sure your children will use next year please consider donating any items that are still usable to Orphan Grain Train. We have become accustomed to starting the new school year by shopping for all new materials but there are children in other areas who would appreciate any usable items. There will be a collection box in the narthex after school ends for your donations. We will have the usual backpack collection for new supplies later this summer when the "back to school" sales start.

Food Pantry

Food Donations are needed at Edgerton Community Outreach. The Food Pantry is in need of:

- Peanut Butter
- Spaghetti Sauce
- Canned Pasta
- Ramen Noodles
- Canned Corn
- Pasta/Rice Sides
- Tuna

A Bin for donations has been placed in the Narthex. Need for the food pantry grows during the summer months when the children are out of school.
